

Jewel Lok™

Loose Jewelry Solution

Attaches directly to the merchandise, not the packaging

Jewel Lok™ offers superior security to dramatically reduce shrink. Jewel Lok is the only solution on the market that attaches directly to the jewelry - protecting the merchandise not the packaging. Jewel Lok is quickly and easily removed using an Alpha HandKey or XT Detacher.

Small compact cylindrical tag contains RF or AM EAS coil

Lightweight (5 grams) tag does not impact how jewelry hangs on displays

SUGGESTED APPLICATIONS:
Necklaces, bracelets & other loose jewelry items

Hook is coated in plastic to prevent scratches on jewelry

Hardened steel hook cannot be cut with scissors or nail clippers

Provides benefit denial level of protection - jewelry will break before tag can be compromised

show. secure. sell.

Alpha's single key solution to control high-theft
