

Jewel Lok™

Stud Earring Solution

A solution that attaches directly to the merchandise, not the packaging

Jewel Lok™ offers superior security to dramatically reduce shrink. Jewel Lok™ is the only solution on the market that attaches directly to the jewelry - protecting the merchandise not the packaging. Jewel Lok™ is easily removed using an Alpha HandKey.

SUGGESTED APPLICATIONS:
Stud earrings

Strong visual deterrent

Durable and clear polycarbonate material

Labels visible on the back of jewelry card

Attaches directly to earring post - pins provide "parking spot" for earring backs

Low profile provides minimal impact to amount of merchandise displayed, fits on existing racks and displays

Convenient "parking spots" for earring backs

Not visible from the front of the jewelry card - no impact to merchandising

Alpha's single key solution to control high-theft

show. secure. sell.
